# Student Review

**Munazah Farooq**

I joined Ikshana Learning in July 2022 and I was fortunate to have ACCA expert Mohit Agarwal as my instructor. It has been an exceptional experience learning from him. His teaching style is outstanding, particularly the individual attention he gives to each student, which greatly enhances the student's preparation. He is not only a teacher, but also a true mentor who guided me in every aspect of my ACCA journey. I highly recommend Ikshana Learning and Mohit Agarwal Sir to anyone looking to succeed in the ACCA exam.

**Shivam Sharma**

Currently, I am pursuing a skill level (ACCA) with Ikshana Learning. It has been a great experience for me taking one-on-one classes with Mohit Sir, the concepts that I used to skip at earlier stages are now my expertise. Innovative learning with real-life examples The way Mohit Sir makes you feel about the concept is remarkable. For me, the journey is the most exciting part, and here with Mohit sir, I can still be true to my words.

**Isha Agarwal**

I am thrilled to have passed my ACCA exam and I owe a great deal of my success to my mentor, Mohit Agarwal Sir. His expertise, guidance, and individual attention throughout my preparation were invaluable. The evaluation and feedback on my answers helped me improve and become more confident in my abilities. Thank you, Sir, for your trust, encouragement and guidance. I am grateful to have had Ikshana Learning as a part of my ACCA journey.

**Kashish Kapoor**

It was a fairly smooth journey. Mohit sir explains concepts on a very fundamental level and allows his students to use these fundamentals to solve problems. Although this sometimes gets tough, it is the best possible way for anybody to learn any subject from scratch.

**Prankur Dixit**

I studied AFM & AAA in my ACCA journey by Mohit Sir, he gave an extensive amount of time in FOREX part of AFM with practice which is also the examiners' favorite. He explained techniques of drafting answers & time management which helped me not only in clearing professional exams but also in the long-term understanding of the concepts.

**Nitin Choraria**

The overall experience of studying ACCA is good. I took my ACCA counseling from Mohit Sir and from then till now (cleared 5 exams at ACCA Skill level) he has been supporting me in the journey. He has been a good teacher and a superb mentor.

**Khushi Ojha**

I am currently taking ACCA classes from Ikshana Learning under the guidance of Mohit sir. My experience by far has been great. His in-depth knowledge of subjects and his ability of making complex concepts easy to understand is incredible. His real world insights and practical examples helped bridge the gap between theory and application. I also appreciate the classroom environment. Overall, I highly recommend Ikshana Learning to anyone pursuing acca.

**Bipin Adhikar**

Mohit sir is exceptional! Choosing ikshana learning for ACCA is one of the best decision of my life. By the guidance provided by mohit sir i scored good marks in exam and his teaching style are outstanding! I'm quite satisfied in journey with ikshana learning.

**Daksh Narang**

A truly great experience with Ikshana Learning!  
The entire team is incredibly supportive and kind. I'm proud to be a part of Ikshana Learning, where dedication truly drives excellence. I scored 90 in Taxation and 85 in Financial Reporting (FR)-what made the difference? The amazing faculty: always supportive, crystal-clear in their explanations, and consistently motivating.  
Pursuing ACCA with Ikshana Learning has been one of the best decisions I've made.
